

THE TITAN PLEDGE

1. I believe I can achieve anything I set my mind to. The only person stopping me from improving my life is myself.
2. I believe all people are created equal. Success has no boundaries.
3. I understand that I'm in control of my life and I am a product of my choices, not my circumstances.
4. I understand the world is not fair, no one is perfect, and that's ok.
5. I understand that dreams don't work unless I do. Hard work is essential to my victory.
6. I believe success follows when I become comfortable with being uncomfortable.
7. I understand my education is my responsibility and essential to my achievement.
8. I believe the harder I work, the luckier I get.
9. I believe that no matter how slow I progress, I'm still way ahead of everyone who isn't trying.
10. I believe if I want to live a life I've never lived, I need to do things I've never done.
